1st Alumni Meet

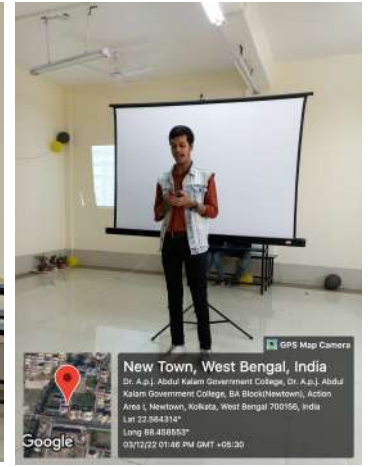

Organized by
Department of Botany
Dr. A. P. J. Abdul Kalam Government College

The Department of Botany, Dr. A. P. J. Abdul Kalam Government College has organized the First Alumni Meet, 'Nostalgia' on **3rd December 2022** (Saturday) in the **Birbal Sahani Lecture Theatre**.

The alumni meet was conducted in order to reconnect with the Alumni and celebrate their success and various achievements. Alumni from the **2017-2020, 2018-2021, and 2019-2022** were warmly welcomed by the present students of the department.

The Alumni started arriving in the college by 11.00 a.m. and they were received by the registration team and were taken on a departmental tour where they revisited the familiar places where they had studied and were shown the various developments that had taken place since then.

The Alumni Meet started with an invocation song. Our Principal, Dr. Debasish Banerjee, welcomed all the alumni for responding to the invitation and being present for the alumni meet in spite of their busy schedule. He then presented a small gift to the alumni that were arranged by our present students. Dr. Mala Neogy, Head, Department of Botany presented the departmental report highlighting the various milestones reached in the past year. A multimedia presentation, "Trip down memory lane..." followed which chronicled the journey of the alumni from 2017 to the present. This was followed by a well choreographed cultural program organized by our present students. The alumni shared their views and feedback. Information regarding present position and achievements of the alumni was collected by the teachers. The event ended with a hearty lunch.
