Mission and Vision of the College Anti-Ragging Cell

Mission

The College Anti-Ragging Cell is dedicated to creating a safe, respectful, and inclusive environment for all students. Its primary mission is to eliminate all forms of ragging, which is defined as any act that causes mental or physical harm to a student, typically as a form of initiation into college life. The Cell seeks to ensure that every student can pursue their education without fear, harassment, or intimidation.

To achieve this mission, the Anti-Ragging Cell undertakes the following key activities:

- 1. Awareness and Education:** The Cell organizes orientation programmes, seminars, and campaigns to educate students, faculty, and staff about the consequences of ragging and the importance of upholding a ragging-free culture. This includes understanding the legal implications, the emotional and psychological effects on victims, and the responsibility of every individual to prevent ragging.
- 2. Strict Enforcement:** The Cell is committed to the strict enforcement of anti-ragging laws and institutional policies. It works closely with college administration and law enforcement agencies to ensure that any incidents of ragging are swiftly addressed, and perpetrators are held accountable. This includes maintaining a confidential reporting system and ensuring prompt investigations.
